

## Home / School Communication

*When your child reaches a significant milestone at home we are always delighted to hear about it. Why not let us know about these achievements by filling in this form and putting it in your child's reading folder? Blank copies are available to download from our class VLE page.*

*Significant milestones could include new success in areas such as using the toilet independently, tasting and liking a new fruit or vegetable, going for their first sleepover or riding their bike without stabilisers.*

**Read all about it! Read all about it!**

### Milestone Moment

Today I am feeling proud because I have reached a new milestone.
