

St Joseph's School 100 Club

How does the 100 Club work?

100 club is a monthly draw which takes place in school, aiming to raise extra funds for resources.

You pay £5 per month and are allocated a number. Each month there are three prizes and the more members we have the more money you could win.

How will it benefit the school?

The school could raise £3600 each year from the club. 40% of the proceeds are given out in prizes and 60% are retained by the school. This money will be spent on your children so even if you don't win, your children still benefit!
