

This Worksheet does not need to be printed. The words could be read and sounded to your child. They then add "er".

Explain that you can change a doing word into a naming word by adding "er". E.g swim becomes swimmer. Discuss.

Then your child can have a go at writing these words into a sentence. E.g. "There is a good **player** on that football team."

I can add the suffix -er to verbs to form nouns.

I can add the suffix -er to a verb ending in 'y' or 'e'.

I can add the suffix -er to an adjective ending in a vowel and a single consonant.

1. Can you change these verbs into nouns by adding -er? The first one has been done for you.
