

Material Hunt

This does not need to be printed – Just find 5 of each material and sort them into groups. This could then be recorded by writing down your 5 items under a heading of each material.

| Metal | Plastic | Paper | Wood | Fabric |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |  |  |
