

Capital letter for a name

This sheet does not need to be printed. Instead of writing on this sheet your child could read the sentence and say which word needs a capital letter or edit it on the computer.

Correct these sentences by adding a capital letter for a name.

tom has a pet fish called fin

I love my cat joey

Queen Elizabeth lives in London

Where did barnaby bear like to travel?

elsa and anna are sisters.

The best pokemon is pikachu.

luke skywalker is a jedi.

mrs kenefick is the head teacher.

Now practice writing your character's name (from yesterday's literacy work) 5 times. Remember a capital letter should be bigger and not joined. The rest of the letters in the name should be joined.
