

Year One Phonics Results 2019

Phonics Testing in Year One

In year one, all children are tested to establish their phonic ability. The national average is low compared to our consistent excellent performance:

Our results			National average 2019
2017	2018	2019	
98	93	98	82

Our year one team of teachers and assistants place great emphasis on the importance of phonics teaching and the results are testament to that work, giving the children the best start in their learning.

Year Two Results 2019

Teacher Assessments Explained

For each subject the description is as follows:

- Working at greater depth
- Met the expected standard – this is the nationally expected standard for year two

Below the percentages describe the number of children who met the national expected standard. Our percentage of children who reached a greater depth is also shown.
