

Teaching Grammar Effectively

Have you been teaching forever and just need a recap?

Are you new to teaching and really need to be sure of your semi colons and subordinate clauses?

Have you moved to a higher year group and the grammar challenge has risen?

This is a twilight session led by our Leader for Literacy and experienced Year Six practitioner Megan Doneux.

Megan will take you through all aspects of grammar and punctuation.

This session will consider the progression from Year One to Year six in Punctuation and Grammar in order for children to make excellent progress to meet end of key stage expectations. A focus on subject knowledge and understanding will ensure that delegates are well-equipped to meet the curriculum needs.

Date: Tuesday 24th March 2020

4.00pm-5.30pm

St Joseph's Catholic Primary School, Rosebank, Epsom KT18 7RT
